Hettich Customer Care Service:

In today's fast paced and technologically advanced era, most of the organizations succumb to the pressure of staying ahead in the competition and often, end up neglecting the most critical aspect of business i.e. CUSTOMERS. Hettich, being a CUSTOMER CENTRIC organization, is very sensitive towards this tendency; hence, we constantly try to provide the best and quality driven products and services.

Hettich – an Indian success story

Hettich started operations in India with the dawn of new millennium. In the short span of 14 years, the company has gained the undisputed leadership position in the Indian furniture fittings & hardware industry.

Hettich India prides itself on having most of the major hardware dealers in India as its trade partners across the country. These dealers are spread over all important cities and towns, so that they are within easy reach of the customer. Hettich India delivers complete "peace of mind" to the Indian furniture manufacturing industry. We have a strong reputation for providing high quality and high tech products. Our products are backed by pre- and after-sales service and on-time deliveries, and by value adding services like design and installation support
