*We are a professional team,  
that is eager to bring value to your business*

Alstone Multi Decor is a decorative Surfacing material like no other. Elegant and exclusive with a contemporary look and pattern, its touch and feel is just like real and last longer than anything you get for decorating the surface. It is created using a technology that protects it from heat, finger prints and accidental abrasion so it stay looking beautiful forever. It is one surface with endless possibilities.

Alstone Multi decor, a 90° bendable PVC laminate, is the best solution to get perfection in edges also. Just use U-groove cutter & make a groove to bend the PVC laminate and give your furniture a modern and stylist look.
