AMULYA Digital

Amulya Digital Laminates are an all-new offering from the reputed Purbanchal Laminates Pvt. Ltd. The product has been specially designed to make high quality furniture like cupboards, shelves, kitchen, cabinets, business offices, partition, panels makeshift ceiling and domestic interiors.

What makes Amulya Digital Just right for your needs it is 'Zero Defect' manufacturing process. The raw material used in the manufacturing process are of the highest quality standards. This is backed by stringent quality control measures. SPT developed first time in India by AMULYA MICA, gives your laminate additional strength to withstand Stains and Scratches more effectively. The result is that the product not only meets Indian quality standards (IS-2046:1995) but also Internationally accepted standards like NEMA, LD3-1995 (USA) and BSEN-438 (UK). The company is an ISO:9001, ISO:14001 and OHSAS:18001 accredited company. The Govt. of India has accorded the company with the status of Export House for its massive achievements in export front. The company have achieved Singapore Green Label certification for our product as "Environmentally Improved Low Emission Low Toxicity" from Singapore Environment Council.

The company has been awarded with 16th annual Greentech Environment Award 2015 by Green tech foundation for outstanding environment management and 6th Annual Greentech CSR Award 2018 by Greentech Foundation Delhi. The Company also bags India's most trusted brand, 2017 by IBC info media corp, USA in association with international brand of India's best mica and laminate company. Company has Green Guard Certification from USA, the certification that a product has met some of the world's most rigorous and comprehensive standards for low emissions of volatile organic compound (VOCs) into indoor air. Company achieved Small Business Award - 2017 from franchise India for Home and Home Products business of the year.

Amulya Mica has been making its mark felt all over in its industry and has been awarded the title of Power Brands Industry Trendsetter 2018.

Designed particularly for contemporary urban living, the new Amulya Digital Laminates collection is coming up with an evergreen appeal with refreshing shades to delight you senses for lifetime. Freshly designed patterns comfortably beautifully gelling with your thoughts is a first choice of elegant people. From this vibrant colour palette, you can explore endless designer ideas for your spaces. Merging vibrancy and variety in a cluster simultaneously, Amulya Digital Laminates collection of trendy designs has been as unanimous choice of the people from the elite class.
