IN ASSOCIATION WITH:

I love my rooms so much! 2020

Go onto the game...

Go over the moon...

Get into dreams...

Most important place in kids' and youth's life are definitely their rooms! That's why we have designed their rooms which they carry out all of their activities from 'Imagining' to chatting, from neatness and tidiness to host friends, from studying to entertainment specifically for their age and gender... Are you ready to choose your Çilek room?

Bounce in an adventure...

Pass time with your friends...

Aim, don't stop for nothing...

WHY DO THE ONES PREFERRING

ÇİLEK ROOM ARE WINNERS?

Don't say "What's safety got to do with furniture?" !

Yes, furthermore, we are sure that you wouldn't want to know about the statistics of the home accidents and injuries that kids impose because of furniture of poor quality without standard. Besides, which one of us 'consciously' prefer our beloved ones in an unhealthy and unsafe ambience?

Çilek, is the leader brand in the sector awarded for receiving 'GS' quality document* So, what does that mean? Çilek room products are designed according to advanced child safety standards, produced with the highest technology from 'sanitary' materials in compliance with EU criteria. When you consider the curious and adventurer character of children, Çilek room provides 'the most secure ambience' to the users.

Çilek has CE certificate for electrical accessories, REACH certificate for packaging and ROHS certificate for the paints and side bands used for metal and plastic materials issued by EU.

Çilek also has ISO 9001 and ISO 14001 management system certificates.

Why are the room options so rich at Çilek?

Each of us is different, why should our rooms be the same?

In addition, each Çilek Room, is being designed considering the needs, feelings, preferences and lifestyles of children and young people in the world varying depending on age and gender as concept rooms enriching their imaginations.

Because our experienced designers develop new ideas utilizing expert psychologists' knowledge, gets inspiration of creative and original new Çilek designs.

Why are Çilek products economic?

According to us, benefit you will get after you pay the price is the most important indicator of an economical product. Çilek products provide a much longer lifetime and enjoyment with their properties of being aesthetic, functional, durable and safe. In other words, not only saves at buying, but also during using. In our opinion, this the economy! In addition, services presented with the product at us are free.

All of our services from delivery of the products to assembly, from architectural design to Çilek Warranty saves your time, money, effort and turns your shopping to pleasure.

Why should I leave the work to its expert?

All of us know that if we want the best of a product, we choose the expert who manufactures only that product.

Child is our profession... According to our experiences, your tastes, color choices, sizes of your room and even with who and how you share your room are so different!

Because of that, with Çilek's more than 700 products and accessory options, personalized design and modules special for the place, you don't only meet your requirement but get the opportunity to create the most ideal room for you.

WHAT ARE THE SUPERIOR

SERVICE BENEFITS OF ÇİLEK ROOM?

Why are we carrying out the delivery to your home and assembly?

Because you get services with the product for free which are already your natural right.

You can believe that if furniture assembly was an easily performed work that can be done by anyone in a short time, it wouldn't have an occupation, education and certificate.

To live the enjoyment and thrill of your new furniture with your family remains to you.

What is the Çilek guarantee?

We come from a culture that keeps the needs and safety of our children in front of everything. Çilek room has been established with this understanding and for this reason we are manufacturing Çilek products at high standards that can be guaranteed.

In addition, first class materials are used for the products, serial and standard production with high technology is performed.

Çilek brand furnitures are under Çilek Guarantee against the problems that may arise from the production.

Please read the usage instructions and cleaning information specified on the product carefully.

Deteriorations such as tearing, peeling, cracking and wear that will occur because of improper use, handling or cleaning are out of guarantee scope.

Why should I leave the work to its expert?

All of us know that if we want the best of a product, we choose the expert who manufactures only that product. Child is our profession...

According to our experiences, your tastes, color choices, sizes of your room and even with who and how you share your room are so different!

Because of that, with Çilek's more than 700 products and accessory options, personalized design and modules special for the place, you don't only meet your requirement but get the opportunity to create the most ideal room for you.
